

## 2019 Ikerbasque ERC Fast Track: Ikerbasque offers permanent research positions to grantees of the European Research Council

### → Beneficiaries

Researchers of any nationality who have obtained a grant of the European Research Council (Starting, Consolidator or Advanced) in the 2017-2019 ERC calls.

### → Research Positions

Ikerbasque, the Basque Foundation for Science, offers permanent research employment contracts fully funded by Ikerbasque at competitive salary as:

- Research Associate (to ERC St grantees)
- Research Professor (to ERC Co and Adv grantees)

### → Host research institutions

The researchers will develop their ERC funded research lines in any of the research institutions of the Basque Country, Spain, (Universities, BERC - Basque Excellence Research Centres, CIC - Cooperative Research Centres, Biomedical institutions and Technology Corporations).

### → Applications

Interested ERC grantees can contact Ikerbasque at [info@ikerbasque.net](mailto:info@ikerbasque.net) for additional information.

### → About Ikerbasque

Ikerbasque is a research agency supported by the Basque Government and acknowledged by the European Commission with the HR Excellence in Research. Ikerbasque currently employs 230 researchers from 26 nationalities, including 17 ERC grantees. Ikerbasque scientists develop their research in 22 R&D institutions of the Basque Country.
