 - ✓ **B2**

Criteria	Weight	Priority (ex.aequo)
Excellence	50%	1
Impact	30%	2

- 2) If necessary, the gender balance among the supervisors named in the proposal will be used as a factor for prioritisation.
- 3) If a distinction still cannot be made, the panel may decide to further prioritise by considering other factors such as gender and other diversity aspects in the research activities, participation of the non-academic sector (including involvement of SMEs), geographical diversity, international cooperation, favourable employment and working conditions or relationship to the Horizon Europe objectives in general. These factors will be documented in the panel report.
